- An athlete can wear the race number during swimming part only if he is swimming in neoprene.

START

- Bulk from the water, as directed by the Main referee.
- For women, there will be a dedicated corridor on one side, with a voluntary start.

CYCLING COURSE

- **Bike course is not fully closed for traffic! The organizer ensures only partial closure, and every competitor is obliged to adhere to the traffic regulations, police instructions and organizers.**
- Helmets must be approved by a national accredited testing authority recognized by a NF that is an affiliate of the ITU.
- **The helmet must be securely fastened at all times** when the athlete is in possession of the bike. Which means from the time, when you remove your bike from the rack at the start of the bike course, until you place your bike on the rack after you finish the bike course. *Please use the helmet also during cycling warm-up.*
- The racers can ride on the bicycle, after pass the finish line of transition area.
- Centreline override is prohibited.

DRAFTING and BLOCKING are FORBIDDEN.

- An athlete rides on the right side of the road, an unwarranted **ride on the left** (or even passing the centreline) **is considered BLOCKING** and is punished.
- Each athlete has a DRAFTING zone around him 1.5 m to the left, 1.5 m to the right and **10 meters** to the rear (measured from the rear wheel).

- If an athlete wants to pass a competitor in front of him, he must first check if he is no longer overtaken by another competitor, **MOVE to the left** outside the drafting zone of the competitor in front of him and start overtaking.
- An athlete has **25 seconds** to overtake each competitor, if the overtaking takes longer or overtaking does not occur and the competitor goes in parallel or returns behind the competitor, then he is followed by a penalty.
- In case, when an athlete is overtaken by another competitor, **CAN NOT accelerate and prevent overtaking - BLOCKING**.
- An athlete who is overtaken must visibly slow down and leave the drafting zone of the competitor who has passed it within **10 seconds**. When the overtaking is over, then can **ACTIVELY** race again.

Drafting zone of each athlete.

Athlete B overtakes an athlete A through his drafting zone – **DRAFTING**.

Athlete B is overtaken and must leave drafting zone of athlete A, athlete A must move to right side after.

Athlete C breaks the **DRAFTING** rule.

Athlete A has to move ahead of all competitors. If he goes between any two competitors, he will break the DRAFTING rule. He has **25 seconds** to overtake each of these four athletes.

100 seconds in total.

Athletes B and C overtake correctly, athlete A breaks **DRAFTING** rule.

If athlete A does not overtake, then he breaks **BLOCKING** rule.

The following penalties are possible for violations of the Czech triathlon association rules:

ORAL WARNING

- The Referee whistles on a whistle and asks the athlete for a reparation, an athlete must obey the Referee, but does not have to stop during the remedy.

“STOP & GO”

- The Referee whistles, shows the yellow card and says “**STOP**”. An athlete must stop and obey the referee's instructions.

BLUE CARD

- The Referee will show the competitor a blue card (applies only to the drafting rule violation). An athlete will not stop immediately but must stop at the nearest penalty box during the cycling session, where he is serving a penalty for violating of the drafting rule.
1. **BLUE CARD** = 5 minutes in the first penalty box.
 2. **BLUE CARD** = 5 more minutes in the first penalty box.
 3. **BLUE CARD** = DISQUALIFICATION.
- The penalty box will be placed on the cycling track. If an athlete has received a **BLUE CARD**, he is obliged to stop himself in the penalty box, otherwise he will be disqualified.

TIME PENALIZATION

- This penalty is signaled to athlete on the board in the penalty box on the running part. An athlete is obliged to check each of the running circuits whether his number has appeared on the board. We recommend reviewing the placement and appearance of the board before the start. This way the violation in the transition area and in each discipline are punished, except for drafting, which is punished through a blue card directly on a cycling part.

YELLOW CARD = "STOP & GO"
